Yu Yang

School of Statistics, University of Minnesota

Fall 2019

STAT 8051-002

- 1 Course Logistics
- 2 Homework
- 3 Quizzes

Course Logistics

- TA : Yu Yang
- Email : yang6367@umn.edu
- Office Hours : Thursday 3 :00pm - 4 :00pm
- Location : Ford Hall 495
- Other information :
 - Canvas : <https://canvas.umn.edu/courses/132826>
 - Lab webpage : <https://yuyangstatistics.github.io/courses/8051-lab.html>
 - Materials will be uploaded before each lab session.

Homework

- In some cases, I may grade only part of your homework. And solutions would be provided on Canvas.
- No late submission. Unless specified by the professor, the deadline is as follows :
 - If submit in person, then the deadline is 15 minutes after the lab starts(Thu 9 :20am).
 - If submit to my mailbox, then the deadline is 15 minutes before the lab starts(Thu 8 :50am).
- Requirements
 - Hard copy is required.
 - Use \LaTeX or R Markdown. Note that \LaTeX is required for final report.
 - Only show necessary code blocks, figures, and summarize your result using tables.
 - Points would be deducted for not following the above.

Quizzes

- 10 quizzes in total, either in the lab or in the lecture. Do remember to attend.
- Quizzes counts for 5% of the final grade.
