Yu Yang

School of Statistics, University of Minnesota

Fall 2019

STAT 8051-002

1. Course Logistics

2. Homework

3. Quizzes

Course Logistics

- TA : Yu Yang
- Email : yang6367@umn.edu
- Office Hours : Thursday 3 :00pm - 4 :00pm
- Location : Ford Hall 495
- Other information :
    - Canvas : https://canvas.umn.edu/courses/132826
    - Lab webpage : https://yuyangstatistics.github.io/courses/8051-lab.html
    - Materials will be uploaded before each lab session.

Homework

- In some cases, I may grade only part of your homework. And solutions would be provided on Canvas.
- No late submission.
    - If submit in person, then the deadline is right before the lab starts(Thu 9 :05am).
    - If submit to my mailbox, then the deadline is 15 minutes before the lab starts(Thu 8 :50am).
- Requirements
    - Hard copy is required.
    - Use LaTeX or R Markdown. Note that LaTeX is required for final report.
    - Only show necessary code blocks, figures, and summarize your result using tables.
    - Points would be deducted for not following the above.

Quizzes

- 10 quizzes in total, either in the lab or in the lecture. Do remember to attend.
- Quizzes counts for 5% of the final grade.
